Business Leadership Ministry Team

Galati, Hateg, and Cluj-Napoca | March 13-25 | Cost: \$3,250

- Join Jeremy Leaman and Ten Million For Christ on a powerful and fast-paced ministry team bringing evangelistic and Kingdom impact to the business world in Romania.
- This team will host three business seminars, visit businesses, local officials and their leadership teams, and encourage business and church leaders to partner together to reach their communities for Christ.
- Ten Million for Christ is committed to creating opportunities for you to share the gospel with your Romanian peers in the business world.

This ministry trip will be an exciting expedition to bring biblical principles and the gospel to Romanian business leaders and their teams as TMFC partners with local believers to make lasting Kingdom impact. You will interact with and influence local business, church, and government leaders through seminars and workshops as well as on-site visits. Be prepared for a quick dive into Romanian culture, history, and of course, incredible food, as you travel cross-country to TMFC's regional ministry centers and enjoy visits to Parliament Palace, Peles Castle, and more! Translators will be available to facilitate personal interactions with our Romanian counterparts.
